

Development and implementation of an effective model of improving practical professional skills of learners of the Technical School Complex in Czartajew in cooperation with local entrepreneurs.

PROJECT DESCRIPTION:

Financed by EOG: 195 195,00 EUR.

Applicant:

Zespół Szkół im. W. St. Reymonta w Czartajewie,

Partners: Changemaker Educations (Norway), Foundation Institute of Partnership Initiatives for Innovation, Digital Break Ltd (Poland), Kika Mobility Training Center Ltd (Greece)

The aim

of the project is to develop an effective system for organizing school internships using a professional internship service platform based on an online training and evaluation platform. From the point of view of the project's

objective, it will be important to adjust the results to the expectations of the labor market as much as possible, organizational capabilities of the school and the requirements set by the relevant laws and regulations,

including the core curriculum of education at the Technical Secondary School.

Working together for a **green**, **competitive** and **inclusive** Europe.
